

TIMESHEET, EXPENSE AND LEAVE FOR ALL ORGANISATIONS

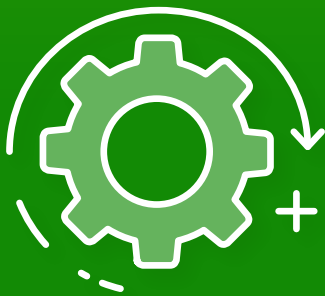

CONNECT

From wherever you are; in the office or out in the field.

SUBMIT & ATTACH

Submit time, leave and expenses, and attach receipts.

APPLY RULES

Build rules and approval flows across timesheets, expenses and leave.

INTEGRATE

Integrate with your existing enterprise systems: ERP or FMIS, Payroll.

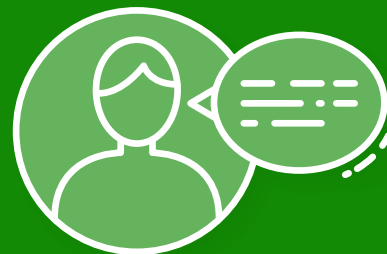

INVOICE

Create relevant, accurate invoices and deliver them to your customers.

ANALYSE

Use data to analyse where staff spend their time for resource allocation and monitoring.

LOCAL SUPPORT

Developed and supported in New Zealand.

INTRODUCING GO: TIMESHEET, EXPENSE & LEAVE FOR ALL ORGANISATIONS

STAFF CAN CONNECT FROM ANYWHERE, ANYTIME

Go is available from a web browser or mobile app so staff can choose the device that suits to enter their time, expense claims and leave requests from anywhere, anytime.

IMPROVE YOUR UTILISATION OF STAFF

You can't manage it if you can't measure it. Use Go to evaluate how your organisation is performing across key projects in real time.

ACCELERATE YOUR BILLING CYCLES

Create relevant, accurate invoice data that can be delivered to your customers via Go or integrated into your ERP system.

INTEGRATE WITH YOUR EXISTING ENTERPRISE SYSTEMS

Go can be set up to connect to your existing ERP or FMIS system, CRM or Payroll.

LOCALLY DEVELOPED AND SUPPORTED

Go is available for you to host on-premise or in the cloud. It is developed and supported locally in New Zealand.

MORE REASONS TO USE GO

- Capture activities at any time.
- Cut down on paper with digital expense claims and attach receipts.
- Configure different approval flows for timesheet, leave and expenses.
- Expense and leave approval notifications as they occur.
- Pre-configured project-job hierarchies make creating new jobs easier.
- Brand your invoices and deliver them electronically.*
- Scalable, secure and easy to use.
- Data allows you to create detailed, multi-dimensional reports.
- Batch or real-time integration to your FMIS, payroll and other systems.
